**C. Craig Smith**  
Vice President

**Curtis D. Gomulinski**  
Executive Director

March 11, 2019

Dear Chapter Presidents and Chief Advisors,

I have exciting news to share with all of you regarding changes at Headquarters. We recently shifted job responsibilities and made staffing adjustments which will impact your interactions with TBP Headquarters.

**Effective immediately, Alex Cross is assuming oversight of Chapter Programs.** He will continue to oversee Member Services as part of a combined Member and Chapter Services Team. Rebecca Davis and Sherry King will continue their work supporting chapters and programs in this new group along with Chris Davis, Andrey Karnauch, and Jessie Powell from Member Services.

Alex has been a part of the Tau Beta Pi team for over 4 ½ years and spearheaded the implementation of the new Tau Beta Pi store a year ago. He has served on the Headquarters leadership team and aided in the work of the Executive Council. In addition to assisting with multiple data enhancement projects, he has been instrumental in working on new insignia offerings including a certificate frame, padfolio, cell phone wallet, and hat. He looks forward to working with Sherry, Rebecca, and the chapter leaders to sustain the important work of our chapters.

In addition, **effective today, Sherry is resuming oversight of all Headquarters activities related to the Engineering Futures Program.** She will continue to work with chapters in Districts 5 (Florida, Georgia, Puerto Rico, and South Carolina) and District 6 (Alabama, Kentucky, Mississippi, and Tennessee). Rebecca will resume assisting chapters in districts previously supported by Sherry in addition to her assignments. **Rebecca will be working with the chapters in Districts 1-4 and 7-16 with Sherry working with those in 5 and 6.**

Sherry and Rebecca have a combined total of 48 years of experience supporting our chapters, officers, and member volunteers. They have in-depth experience in the areas of chapter operations, Engineering Futures, and Convention gained through their time with Tau Beta Pi. They look forward to continuing to provide assistance and advice to the chapters, our student leaders, and member volunteers.

If you have any questions, you can contact Alex ([ccross@tbp.org](mailto:ccross@tbp.org)), Rebecca ([rebecca@tbp.org](mailto:rebecca@tbp.org)), Sherry ([sherry@tbp.org](mailto:sherry@tbp.org)), or me ([curt@tbp.org](mailto:curt@tbp.org)).

Until later,

Curt Gomulinski
