DESCRIPTION:

I. General Description: A fundraiser was conducted throughout the year to raise money for Tau Beta Pi by selling laptop stickers.

II. Purpose & Relationship to Objectives of TBP: To raise awareness of Tau Beta Pi on campus and to raise money for our chapter to put on events.

III. Organization & Administration: (in conjunction with another group?) Yes No

N/A

IV. Cost & Personnel Requirements: About \$0.10 per sticker, sold for \$2.

V. Special Problems: N/A

VI. Overall Evaluation/Results (Be Specific): This was an extremely successful fundraiser that had many on campus asking about the stickers. The sticker is of Ohio with our school logo, a Y, cut out in the location of Youngstown on the Ohio sticker. We believe this definitely helped raise awareness for our organization as so many asked where the stickers were coming from. It also got all members involved as everyone was required to sell stickers.

Each engineering discipline's student group held one event, as well as the mathematics honor society.

IV. Cost & Personnel Requirements: Each group paid for supplies for their own event.

V. Special Problems: N/A

VI. Overall Evaluation/Results (Be Specific): This is an event that the entire engineering school looks forward to each year, and helps get Tau Beta Pi exposure among engineers. It also gets all members involved as it is required to volunteer in some capacity with Engineers' Week.
